Ecstasy Cowl

Designed by Cindy Brown

This quick knit cowl is knit flat and seamed, with just a little texture. It'll keep you toasty warm on those cold days!

Yarn: Diamond Luxury Ecstasy, 1 ball.

Needles: 15 mm needles. Cowl is knit flat, so you can use straight or circular needle

Gauge: 6 sts = 10 cm in st. st.

Directions:

Cast on 12 stitches LOOSELY.

Row 1: K2, P1, K2, YO, K2tog, K2, P1, K2.

Row 2 and 4: K2, P1, K1, P4, K1, P1, K2.

Row 3: K2, P1, K2, SSK, YO, K2, P1, K2.

Repeat these 4 rows until you have just enough yarn to cast off, and sew up a joining seam.

Cast off loosely.

Finishing:

Overlap cast off edge over cast on edge, and offset edges, leaving about 5 cm on each end that is only one thickness of knitting. Sew seam to join overlap edges. Fold one edge down to create an asymmetrical collar.

You can attach buttons to the front, or even leave the edges unsewn, and use a shawl stick to fasten the front.
